## **Accelerating openBIM Adoption for Smart City and Sustainability.**

As BIM adoption gets more popular, the demand for open standards increases. Gradually and steadily, Governments, regulatory bodies, and clients recognise the need to embrace openBIM to ensure seamless information exchange throughout the entire value chain. Cognizant of such need, the first Asia Summit for buildingSMART International will explore ways in which openBIM and BIM X GIS can augment the efficiency of designing, constructing, and operating built asset, facilitate practitioners to meet regulatory objectives and sustainability goals.

## **2 days, 8 sessions, with 40+ overseas, mainland and local speakers & concurrent masterclasses**

Join us for this unique 2-day Asia Summit where there will be a host of world class leaders, including buildingSMART International's Global Leaders, overseas, mainland, and local experts, together with government officials in various economies sharing their insights and experience with participants.

## **Gala Dinner**

Following the Summit, please join our **Gala Dinner cum Prize Presentation Ceremony for Hong Kong openBIM / openGIS Awards 2024**, to be held after the Summit on 18 June 2024 at the same venue. Join us for such where we come together to recognise excellence, foster connections, and strengthen our community.
