

Joint-organizer

Free BIM Online Seminar (2024)

Date : 17 July 2024 (Wednesday)
Time : 7:00 pm – 9:00 pm
Language : Cantonese with English Terminologies
Speaker : Mr Tin Wong, MHKICBIM, CCBC

Tin is an experienced independent consultant in construction and Building Information Modelling (BIM) . He has worked for projects in the Greater Bay Area including a number of megaprojects in Macau and government projects in Hong Kong. With over 10 years of experience in construction digitalisation, he has specialized knowledge in BIM execution, modelling, and co-ordination across various BIM software and platforms. He has extensive knowledge include for but no limit to Architecture, MEP, and civil engineering disciplines.

The highlight of the Seminar:

Seminar course series for BIM Co-ordinators

This free introductory lecture on BIM Co-ordination is jointly organized by The Hong Kong Institute of Project Management (HKIPM), (Hong Kong) Continuous Professional Education Centre (CPE) and the BIM Tech Asia Association (BTAA). It is an abstract of the CCBC course by CIC Accredited BIM Co-ordinator course provider (CPE) . After completing the course, participants should be able to describe BIM concepts and understand the necessary BIM knowledge.

31 Mar 2020 - Launch of Certification of BIM Co-ordinators and Accreditation of BIM Co-ordinator Courses by the CIC. The Certificate for BIM Coordinator Course (48 hours) is a requirement for applying for the CCBC. The objectives of the Certification of BIM Co-ordinators are to:

- Set standards and ensure relevant construction professionals and other personnel will have the appropriate skill levels and competency in using BIM technology to meet the industry' s needs;
- Align the skill levels and competency of BIM personnel with the industry' s needs, CIC BIM Standards and Development Bureau' s requirements for BIM personnel; and
- Uphold the quality of BIM personnel to meet the industry' s needs.

Detail: This seminar will provide an insight into the concepts and principles of BIM, how it is different from traditional 2D CAD and BIM industry market

BIM Concept

- BIM definitions and terminology
- The difference between 2D CAD, 3D CAD & BIM
- Concept of BIM in the whole life cycle of a built asset
- The value and benefits of adopting BIM
- Local & global BIM Standard

BIM Career Path and Market in Hong Kong

- BIM Role: BIM Viewer, BIM modeler, BIM Co-ordinator and BIM Manager
- Development Bureau Technical Circular
- BIMer Demand in the Market
- CIC BIM Certification
- BIM industry requirements and career path

Note for Registration of the Seminar:

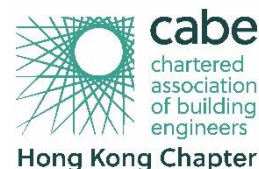

1. Closing Date for Registration: 16 July 2024
2. In case of over subscription, selection will be made by drawing lots.
3. Confirmation will be sent to successful applicant before the seminar.
4. Participants will receive an acknowledgement for the Seminar enrolment by e-mail.
5. We reserve the right to alter the details of this seminar such as change of time, date, venue and speaker or to cancel the Seminar in case of need.

REGISTRATION

Disclaimer: The organizer and all supporting organizations will not be liable or provide any type of insurance coverage to the participants for any personal accident, property loss / damage or virus infection arising from the seminar. Participants should make their own insurance arrangement at their own expenses.

Supporting Organizations

Supporting Organization (Alphabetical order):

- Association of Cost Engineers Hong Kong Region
- Association of Engineering Professionals in Society Ltd
- Australian Institute of Building (HK)
- Autodesk Far East Ltd
- Building Services Operation and Maintenance Executives Society
- Chartered Association of Building Engineers Hong Kong Chapter
- Chartered Institute of Civil Engineering Surveyors
- Contractor's Authorised Signatory Association
- HKIE Associate Members Committee
- Hong Kong Institute of Construction Managers
- Hong Kong Institute of Planning Engineers
- Plumbing Technology Student Association
- Royal Institution of Chartered Surveyors
- The American Academy of Project Management
- The Chartered Institute of Building
- The Hong Kong Institute of Civil and Building Information Management
- The Hong Kong Institute of Clerks of Works
- The Institute of Clerks of Works and Construction Inspectorate (HK)
- The Institution of Civil Engineers, Hong Kong Association
